

Discussion Questions – Lent III

- “Believing in God gets worked out in the horizontal aspects of life.” Discuss – what does this mean to you? How does your faith get worked out this way?
- One of the points made in the podcast is that difference allows us to better apprehend the divine image. What are some ways in which diversity helps you to see God?
- What are some examples of times in your life when you have reached out to others who were very different from you? How did those experiences impact your life and your faith?
- In your own Lenten reflections, how have you come to view your own baptism? Are there areas where you need to renew your own covenant with God?
