We gather to support, encourage, and listen to one another as we share our hopes, dreams, concerns, and frustrations. Aware of the challenges that lie ahead and the accomplishments we have achieved, we embrace the responsibility to provide opportunities that empower our children to be the best they can be and share what we have learned with others. Our love for them gives us courage and strength to advocate for them. We are their voice.

Introduction

Caring for a child with special needs can be challenging, exhausting and sometimes lonely. **WE SHARE** Support Group meets monthly in the Parish Hall of St. John's Episcopal Church, 239 East Market Street, Marietta, to offer parents an opportunity to connect and network, hear speakers from various community agencies, find support and learn new ways to cope with everyday challenges while their child socializes and shares activities with other children.

Our Goal

The goal of **WE SHARE** Support Group is to come together to support, encourage and listen to one another and to be a voice for our children as we raise awareness of the challenges we share and the accomplishments we have achieved.
