Evensong

The Quere with the Patell.

“Evensong ... is a very tiny fragment of something else. It is a fragment of the worship which is offered to God by Christian people every hour of the 24 in every part of the world. When you come to Evensong ... it is as if you were dropping in on a conversation already in progress -- a conversation with God which began long before you were born and will go on long after you are dead. Evensong is drawn almost entirely from the Bible. Its primary purpose is to proclaim the wonderful works of God in history and in the life and death and resurrection of Jesus Christ. Its secondary purpose is to evoke from the worshiper a response of praise, penitence, prayer and obedience.
