

SHAPED BY FAITH

**Southern Convocation Parishes
Shaped by Faith**

<https://www.surveymonkey.com/r/FBJTBVR>

If more than one person needs to fill out the survey on the same computer, you will need to close the browser all the way back to the beginning before starting the second survey. The computer will tell you, "a survey has already been completed" if you do not close everything back to the start up picture you usually have when first booting up / turning on your computer.
